

DHARWAD REGIONAL SCIENCE CENTER

Astronomy programmes for the year 2019 - 20

We are happy to announce that we are conducting some special astronomy programmes for school children, teachers and interested general public.

The details are as follows;

Sl. No.	Date	Topic	Timings
1	16.07.2019	Partial lunar eclipse	1.30 AM – 3.30 AM
2	05.10.2019	Observing Moon Night – About the phases of moon	3.30 PM – 6.30 PM
3	11.10 2019	Mercury transit	10.00 AM – 12.Noon
4	26.12.2019	Observing the annular solar eclipse	10.30 AM – 3.30 AM
Special Astronomy work shops			
1	22.09.2019	Knowing our altitude – Model of solar clock	11.30 AM – 1.30 AM
2	29.09 2019	From geocentric theory to heliocentric theory	11.30 AM – 1.30 AM
3	15.12.2019	Declination and Right Ascension of the celestial body. Observation of sky through telescope	6.00 PM – 9.30 PM
4	22.12.2019	Calendars of different regions, the differences and similarities	11.30 AM – 1.30 PMS
