

## DHARWAD REGIONAL SCIENCE CENTRE

### SCIENCE MINDS – WORK-SHOP

#### A Report:

'Science Minds' workshop No. 3 was conducted successfully **on 23-06-2019**, the fourth Sunday of June. The topic was "Magnetism and Electricity. Around 250 10<sup>th</sup> standard students had gathered from different schools of Dharwad district and took the benefit of class. The class was lively and interactive. Students were enthusiastic to see the models of;

1. Faraday's law
2. Dynamo
3. Resistances in series and resistance in parallel
4. Wind mill
5. Oersted's experiment

Teachers also had accompanied the children.

The lecture was taken by Smt. Usha Kulkarni and supported by Ms. B.S. Gaonkar and Adivappa Antannavar.
